Login Page

Develop login page, HTML and CSS Foudation to Structure The User Interface and JAVASCRIPT to Interactive and Validate The User and Passwords is using Javascript.

INTERNSHIP

Vei Technologies Pvt Ltd , Tindivanam

Jun - July

Front End developer

During my internship at Vei TechnologiesPvt Ltd, I gained practical experience in Front End development, focusing on building responsive web applications using HTML, CSS, and JavaScript. I actively collaborated with the development team, contributed to debugging tasks, and assisted in optimizing code for better performance. This internship deepened my understanding of Front End technologies and prepared me for future roles in the field.
